

If it's time to purchase a new refrigerator, dishwasher, clothes washer, or water heater, Kirkwood Meadows Public Utility District ("District") offers rebates for the purchase and installation of EnergyStar® appliances and energy-efficient electric water heaters.

If you're looking to switch from propane to electric, or otherwise upgrade your older electric heating system, the District offers a variety of rebate programs on several types of systems.

Program Guidelines:

- The program is limited to District residential electric service customers with all KMPUD accounts in good standing.
- The appliance and/or heating system must be installed in a residential dwelling within the District's service area.
- The rebate offer is good for purchases of electric appliances and/or heating systems only, on a first-come, first-service basis and is effective until funding is reserved/expended annually, or the program is discontinued by the District.
- A maximum of one rebate type (refrigerator, water heater, etc.) per account every 10 years.
- Applications will **only** be accepted from March 1 to March 31 and September 1 to September 30 annually.
- Applications must be submitted **prior** to purchase or installation to reserve rebate funds. Customers will be notified within 30 days of the application period closing if their application was approved.
- Purchase and installation must be completed within 6 months from application date and approval. All equipment must be new.
- Customer agrees to inspection by District Staff to verify installation.
- The rebate will not exceed the purchase price. The total rebate amount may not exceed \$1,000 per customer per year.
- The rebate will be credited on the subsequent bill following completion.
- New construction (residences less than 5 years old) are not eligible for the program.

Residential ENERGY STAR[®] Rebate Application

Name _____ KMPUD Account # _____

Kirkwood Address _____, Kirkwood, CA 95646

Taxpayer ID/Social Security Number (required for rebates \$600 or more): _____

Participant Agreement

The energy-efficient product(s) marked above have been installed at the Kirkwood Meadows Public Utility (KMPUD) location as indicated. I have attached a copy of the itemized proof of purchase sales or paid invoice and other required documentation. I understand that falsifying information may lead to my disqualification from this incentive program and that KMPUD will take appropriate actions to recover the rebate amount. Funding is limited and this program is subject to change or cancellation without prior notice. I have read and agree to these terms and to verification of installation by a qualified contractor/installer.

I further understand that all residential rebates **will be applied as a credit to my utility account** on or after the next billing cycle.
